**STUDENT DESIGNED NOTE CARDS**

Celebrate the creativity of our students while helping to support the art program at View Ridge. 24 pieces of student art from the past 2 years have been selected to become part of this year's art card series. Congratulations to all participants! Choose from 4 packages, each with 6 different images of bright, colorful art. Please see samples outside the art room. Cards measure 5.5" x 4.25" and are blank inside. A great gift for Valentine's Day, Mother's Day, or thank you cards after the holidays!
